GLOW GIRL

... is the title conferred on glorious Gloria Frank by a leading lamp company to introduce a new kind of light bulb. Not a bad idea, but with Gloria around, you don't need any artificial light to glow.

Lamp this, all you lovers of the femme form divine. Watt we're trying to say is that Gloria's a fluorescent 37-22-36.

When the above mentioned mazda manufacturer was searching for a model to symbolize the "cool light" of his new product, a lensman submitted a shot of Gloria. "She's perfect!" said lamp mogul.

No wonder fotogs prefer natural lighting when they snap this sultry stunner. The effect of the sun shining on her gold locks is great.

Indoors, too, Gloria's glow is always in evidence. Since coming to California just one short year ago, she's become one of Hollywood's busiest gals.

See next page

When quizzed about her plans for the future, Gloria replied, "Believe it or not, I'm one gal who didn't come to Hollywood to get into the movies. I'd rather have a business of my own, like a smart niteclub."

To be perfectly Frank, everything about this lovely is just perfect. She can be the light of our life any time she likes.

WHAT IS SIZZLE?

The dictionary says it pertains
to heat . . . and what is heat?

"Intense feelings," is what the
book says. Intense? . . . "Strong."
Oh, get your own dictionary,
or look at Laurie Talbot!

"It," "Wow" and "Oomph" have bowed out in
favor of "Sizzle" these days. And this is just it!

In between trying on suits she always wears a sheet. "Cooler," says Chris, "under those hot kleig lights."

The reason why Chris specializes in swimsuits should be pretty obvious. In case your glasses aren't handy, she tapes in torridly: 36-25-35.

Strictly A Chris Craft

... that's what they call
captivating Chris Owens who's
known in the trade
as a B.S.M. Not a degree,
nevertheless you have to own
some degree of beauty to be one,
the initials stand for
Bathing Suit Model . . . as
if we didn't all know!

Reason why this type of work registers big with her is that she often poses in a pool and Chris loves to dunk and frolic in aqua, is an accomplished swimmer.

Quite a traveler, she has immersed that body beautiful in the surf of some pretty far off places. "But of them all," Chris tells us, "I love the warm waters of Cape Hatteras the best."

MAN, OH MAN, OH MANNO!

*Get with it hipsters! Cast your baby-blue,
ever-lovin' eyes on real gone Elsa Manno!*

Go, man, go, but hold on to your
I'd so it doesn't flip from the
effect of lookin' at the luscious
charms of exotic Elsa. She's the
most! We mean, the absolutest!

Crazy, man, crazy! That's what you are if you can't see she's but with it!

NOW HAIR THIS!

Amber, you could file for the Golden Knights as the best dressed girl. And she has no hair problems. It's just like you were born to look like you or probably she may even have natural hair style like the above. If you're interested in her belly is available back of the book of how she purchased it in the better stores for a few hundred.

FOR YEARS distaffers have curled, boiled, baked and raked their tresses to make them look different from day to day. Even Cleopatra used to dye her hair with beetle juice or decorate it with Tanya blossoms to make it attractive. Then not long ago the gals who "dip the switch" (as leading cosmetician Richard Willis calls dyeing) discovered chignons. These are hair pieces that can be used as braids, lengths, curls, etc. to create new styles.

Amber Davis is a charmer who takes especially good care of her crowning glory, but Amber is an impatient lass and couldn't wait to grow a hank of hair to her satisfaction so she rushed out to a neighborhood store and bought one. Now Dear Reader, the delectable Miss Davis would like to know how you like it, or would you rather see her with the style she's always worn?

HOW TO GET INTO THE STALK CLUB

Now night so this picture was a slowie.
Now of the fabulous form of a showgirl
named Jill Burrows. Mebbe so, but can you
remember a Zora that was so much forme?

WHO IS

AMERICA'S

"HOTTEST"

MODEL?

See next page

Lovely at left is Jeannie Robbins, selected by stylists as having the perfect model face and figure. Below is Audrey Wayne, favorite gal with nightie manufacturers for obvious reasons.

A double barrelled treat is gorgeous Gloria Warner who is a model by day and one of Las Vegas top showdolls by nite.

TRYING to choose America's most popular model is somewhat like attempting to remove Elvis Presley's sideburns and expecting his fans to take it lying down. But we tried. First we sat in at lunch with a group of the country's top fotogs. The food was great. We had Jack Benny asparagus... no tips. Turkey so tender it reached up and put its wings around us. But that's all we had. There wasn't a decision at the table after two hours of talk. Each lensman had his favorites, gals who are in demand.

But even our veteran photogs can't predict the "find of the year," a real "hot" prospect, that the public will go nuts over the way they do for cars, shows, etc.

Then we sat in with some of the movers and shakers of the fashion world, but each had designs upon promot-

ing their favorite posers. Same story, no dice. We tried swimsuit companies, ad agencies, etc. ad infinitum. We ended up with a pretty jittery stomach due to all the vittles we consumed with the aforementioned... but no definite decisions.

Is it really that hard to select the top gal of the United Shapes of America? No! we said. But we later learned that it was and so we are going to let you make a stab at it and maybe you'll triumph where we failed. The girls pictured on these pages are ones whose names were constantly brought up when lensmen pick the gals who are (M.I.D.) "Most in Demand!" These are the cream of the crop according to the men who should know. How do they stack up with you? Have we goofed on anyone? We'd appreciate hearing.

Ask any glamor clicker, they'll tell you Marianne Shore is sure popular these days.

Hair preps, cosmetics, all are
products Gunnar Gustafson sells
with that well groomed look.
Gunner, need I say more? Here's one
foto called "Queen of Pinups." And
who doesn't flip at Faye Harlowe's
zingy curves? If it wasn't for
pillow you'd know she's 37-26-36.

Miss Roller Coaster

... is what some of the concessionaires at Golden Gate Amusement Area in San Francisco call Janet Johnson. The blonde lovely's curves earned her that title in a recent competition there.

Truckin' On Down

Grab your pick and shovel and join enticing Annette Sagorske as she heads toward her favorite beach, where the enterprising eye-catcher is in the process of building herself a cabana!

We don't usually hold truck with
hard physical labor, but when someone as
lovely as Annette asks for assistance
how can any guy possibly refuse to help?

The stretch of sand that's lucky enough to be graced by Annette's charming self is located near town of Coral Gables, Fla.

Her plans call for the craziest cabana along the Florida coast—with built-in barbecue pit, hi-fi unit and soda fountain. Speaking of being built, how about that 37-22-37 form on our Annette?

FURRY INTRIGUE

Volatile Vaughn studied to be a dancer before the acting bug bit her. Then she went to H'wood from her N.Y. home.

Just so you won't get the wrong idea, Nicky bought that mink wrap with money earned as thespian.

Can't imagine anybody withholding information from a shapely (36-23-36) spy like her.

Nicky Vaughn has played
many roles in her short career
as a TV smoter, but the one
she liked best was a lady spy
for the FBI. The costume
she wore wasn't half as eye-
catching as this one, though!

THOSE SILK STOCKING STUNNERS

Some fashion fads fade in the suns of time, but one that will stay with us forever is encasing a set of stunning stems in a pair of filmy hose. Here's a report on the fine art of packing a silk stocking . . .

The stockings are back! To find out how to pack them, see page 100. Above: Models Amanda Blake (below) and Jennifer Windsor Gayle (right) never knew that the comb-back tape with beauty cover

Eye-filling Aleane Burkhardt, left, likes to wear ebony-tinted hose for posing with black pants, Delores Hedges, center thinks long black gloves and frilly gartered gams add to S.A. For Shirley Gray, some Spanish lace and a fan do the trick.

SOME folks may call it gilding the lily, but we know of one top glamor fotog who's decided that from now on he's gonna take nothing but pix of lovelies wearing silk stockings on their gorgeous gams. He believes that nothing adds as much to the S.A. (Stare Appeal) of a perky pinup than a pair of sheer hose, and we're not going to argue with him. Especially not if he keeps send-

ing us eyeball-popping shots like those on these pages. Trends in feminine frippery are as fickle as a movie star's taste in hubbies, but one thing that has survived and seems destined for a healthy future is the wearing of ultra-filmy stockings. Legwork's a big part of being a model or a lensman, and the fruits of all those silk-worms' labors make it easier for all, especially males.

Coral Brown's own preference for jolting Joes is white outfit topped (or bottomed) off with jet-colored hose, footgear.

See next page

THOSE SILK STOCKING STUNNERS

Continued

For extra-special lensing sessions, lovely Lauron Lavelle likes to don hose with frilly garters.

Famed peeler Pandora prefers stockings of black which have a delicate pattern woven in.

In her dressing room at one of Las Vegas' famous nitespots, showgal Melba Manners displays well-clad set of underpinnings.

Bouncy Bebe Allan sports this undies and hose outfit as a part of act she does called "Stripper's Honeymoon." Nice?

We're not sure whether strip star Scarlett O'Hara's comin' or goin' in backstage scene, but her gam-bit sure is nice.

Dawn looks as though she's thinking of moving in
on the hour glass concession at her local seashore.

Dawn at the seashore is a sight
every beauty lover shouldn't miss,
especially if the Dawn in question is
last named Layne. The minute this
pulchritudinous beach peach pairs up
with the sea, sun and sand, a picture's
created that rivals that of the
old masters' best brushwork.

Floating alone, that's what she likes to do and
when not at beach she labors as a bank secretary.

Think "September Morn" was masterpiece? Hey looki

BEACHED BLONDE

"Hot enough to fry an egg on," says our sultry subject as she pats the beach house masonry. Only how do you get it to stick? Below, Dawn clouds up because the fotog took too long with his light meter and camera, and Old Sol's light's in her eyes.

GINGER SNAPS

Here's a peak into gorgeous Ginger Barrett's album. What makes it unusual is that the fotog is none other than the shapely subject herself!

Equally talented on either end of a camera, Ginger set timer, posed prettily, came up with winning pix.

She calls this shot "Reclining Figure" after the classics. The lovely lens lass hopes to have her own studio someday.

Idea for shooting herself (with Rollei, natch) came when she decided to paint self-portrait, needed snapshot to work from.

A Beaut From BUTTE

We could say that when Angela Vergne left Montana to come to Manhattan, it was their loss and our gain, but we won't. Why not? Well it's pretty obvious if your optics are 20-20 . . . eh?

How busy can a gal get? Angela poses for glamor fotos, dances, does high fashion modeling. And in her spare time—spare time ???—takes vocal lessons and makes swimsuits and dresses for her 37-24-35.

Her winning smile makes her popular with lensmen and fans alike and that whistle-bait figure doesn't hurt either! When we asked what her ambition is, she said so cutely, "Haven't time to think about it."

ANGELA
WILSON

Diary of a Showgirl

Have a FROLIC with us at seeing exactly what a luscious showdoll writes in her private diary! Lovely Lydia Jean was sweet enough to oblige our all-consuming male curiosity about the opposite sex.

DEAR DIARY: Had a rehearsal this ayem and so I put on the warpaint and headed for the Club. I was both pleased and surprised when they rescheduled it for late afternoon. This is a glorious Wednesday and so I headed for home again and my own beach at Southampton, L. I. I sat for a few minutes in my blouse and shorts, then took a quick squint, and seeing no one, shed the shirt and let Old Sol have his way with me.

3:30 p.m. found me on the way to the Club, a quick drink of water, a change of costume, a fifteen minute run through and then back on the train to home. There's no work tonight, thank goodness and I can relax. I got out that old shirt again and hit the sunray trail. I picked a few pine limbs to spray with gold paint just like in that Home Magazine. Then it was bedtime in no time. Golly, it felt good to slip into my frillies and sack in. That's all from me tonight dear Diary.

LYDIA JEAN

THURSDAY. Hi Diary; Had my picture snapped by a fotog this morning . . . and in color yet! The bikini was awfully daring, but he said I looked great in it, hope so! Sorry I didn't have much time for you today, but I just finished work and it's almost 3:30 A.M. and I have to get my beauty sleep. Oooh, that nightie feels so good . . . nightie, night!

FRIDAY: Back in my favorite shirt again on my favorite beach. I wonder secretly just how it would be to take off for some unchartered island and live on the beach with my own particular Robinson Crusoe? Of course you know I am a stickler for propriety and so we'd have to visit a preacher first. But it would . . . oh, oh, it's time to get to work!

THE PRETTY

It was every boulevardier
for himself when glamorous Jane
Small set out to see the
fabled sights of Gay Paree, 'n'
before you could say 'Eiffel
Tower' she proved 50 million
Frenchmen can be right
when it comes to
recognizing real beauty!

From the Champs Elysee to Cannes this Hollywood miss gave perky Parisians something to zing about. A former fashion model, Jane turned to cover art, has posed for some of the top illustrators of the U.S. Her ambition? Clothes design.

WHO PANICKED PAREE!

Though she'd love to visit all the world's metropolises, Jane's in love with Hollywood, says she wouldn't swap the sands of Malibu for anything. In her college days (UCLA) she won letter as swimmer.

NOT since "Lucky Lindy" landed his little plane at Le Bourget airfield have the people of Paris pushed the panic button for an individual the way they did for a Small girl with a large future. We refer, of course, to FROLIC's fabulous newcomer, Jane Small, who made the Frenchies flip from boulevard's to chateaus, when they gandered her special brand of glamor.

Jane is a gal who likes to travel, so for the past year she saved her shekels for a trip to France. After a slightly bumpy landing at the Paris airfield, La Belle Small headed for the heart of Paris and we hear her aim was accurate. More than a score of frisky Frenchmen wanted to crush her to their manly chests and whisper sweet "Ooo Laa-Laa's" in her pretty ears. Naturally our foto followed when she went week-ending at Cannes for some sun'n'fun.

The consensus is that when it comes to making the Champs Elysee sizzle, Mlle. Small Can-Can do! So we say, "Vive la Small!"

Below, Jane fills her beachcomber pants prettily as she soaks up a bit of Old Sol's rays after flying in from Paris. Our lensman snapped a few pix in Paree but we thought you'd rather see these in a swimsuit.

She brought along a nightie, says it's fun to swim in one. Also it is a lot cooler after coming out of the surf than a swimsuit. Looks as though there wasn't much to find on the shore for Jane . . . only for us!

Small in name only, she's a big girl, stands 5'6" and disintegrates the measuring tape with her 38-26-36 set of figures. Those eyes are hazel, flecked with jet black.

Looks as though it's time for us to leave, she has that glint in her optics. "C'mon, just a few more minutes?" Oh that's what you want? Fine! Unpack the suntan lotion!

Wonder if Sir Edmund saw any long stemmed beauties like our sweet subject on Everest? May be not even shapely Sherpas.

"Hope I don't meet a yeti," laughs La Verle. In case you don't read the papers, yeti is what they call the Abominable Snowman.

La Verle Ludolph is taking to the hills—in a big way. The West Coast wow read a book by Tenzing Norkay about his climb to the top of Everest with Sir Edmund Hillary, and now she just can't stay down to earth!

If she ever met a yeti, the character would probably melt before her 37-26-36 charms, and turn into boiling water.

"LOOK MA—

THREE-WAY STRETCH

Tony Willard took to a speedier lens with *Playboy*. He made this trio of shots of model Taniya Donaldson in three minutes flat, but her feel was far from static. See full details page 12.

Shooting at top speed didn't stop Locke from catching all the well distributed curves of Taniya's smoldering beauty.

"FORE!"

THE sun of a spring morning shined down softly on the rolling greens of lush Lakeside Country Club's golf course in Beverly Hills. At the eighth hole, a party of filmland celebrities, including a leading director and a producer with more money than the Bank of America, were getting set to shoot when the still air was suddenly split by the cry of "Fore!" performed in a charming alto. A golf ball whizzed through the air and landed not a foot from the director. The party turned to see who the reckless driver might be. As she walked toward them, the sun reflecting off her golden locks, the men gazed in wonderment. For how often do you find anything as breathtaking as Sharon Lee on the fairways?

Yes, that's the unusual story of our captivating cover girl's discovery by the Hollywood film colony. Although she'd been making the rounds of casting offices for many months, it took a stray white spheroid to bring her many charms to the attention of the powers that be. Once they recovered their aplomb sufficiently to ask Sharon's name, address, availability for screen roles, etc., the bigwigs thought to inquire just why such a lovely lass was playing golf all by her self? "I try to get in 18 holes every nice day," she answered. "It's great for the figure." Looking down at their own slightly paunchy selves, the director and producer couldn't help but be doubtful, but who could argue with such a doll?

The Road to Ballet

... was a long and rough one with a plenty of detours for exotic looking Laurie Kaye. But then fortune smiled and suddenly there was a four lane highway. So lovely Laurie decided to give up ballet for a featured spot at the Desert Inn, Las Vegas, now she's one of the top dancers there, plus being one of Nevada's famed models.

After nine years of study, ballet seemed to lose its glamor and then suddenly she was offered model, singer, dancer, actress jobs.

And isn't it always the way, now that she's firmly established as a showgirl, suddenly out of the blue — a ballet offer in Britain!

So, Laurie of the 35-23-35 curves and blue-green eyes says she may forsake her fame to try her hand (or is it her feet) at ballet.

For you collectors of statistics: Laurie is 5' 6" in her nylons and right in every weigh as she hits the scales at a perfect 110 lbs.

QUICK-CHANGE ARTISTE

In the most speed conscious of worlds, there's a record for just about everything. Luscious Lisa Douglas, for example, has just been selected by the California Association of Pinup Fotogs as "The Quickest Change Artiste This Side of A Bank Teller." Reason for the honor is obvious. When she reports for a session of shooting, she's ready for action in the blinking of an eye, shedding her duds in double time and unveiling that superb shape!

Her speed of disrobing notwithstanding, there are many other reasons why camera clickers prefer lithe and lanky Lisa. In case your orbs aren't as sharp as they should be the reasons are 36-22-36.

LATINS LOVE 'EM

Sophia Loren, Elsa Martinelli, and Gina Lollobrigida are still favorites in sunny Italy, but look out for these three Frenchies gaining fame in Rome!

That beauty at left with all of those super lush curves is Rochelle Coty from Paree. Above, Dolly (38-25-36) de Lys.

Helene Dana is the latest to be gaining multitudes of fans in Italia. All three beauties have signed movie contracts.

ON THE FLIP SIDE

When recording artists refer to the flip side of a platter they usually mean the side which probably won't be a hit. But in this case it just doesn't work that way, at least not with Lee Austin who looks as though she's all ready to go to a masquerade party.
Flip the page and see!

Throwing a little light on the subject and de-masking her, we see Lee as she should be seen, blonde, curvy, captivating
Our heroine isn't really headed for a masquerade, she was just showing off one of the masks she has in her collection.

NIZE BEBE

"Provocative" is the word reporters use to describe the dynamic Miss Berto.

In this case the Bebe is Bebe Berto, a baby who won first prize in the Artists and Fotog's Beauty Awards contests, twice. The first time was 23 years ago and the last was December of 1959. What happened in between times, you ask? Well, Bebe was growing up, that's what! She was only two years old when she got her first award!

MAGIC WANDA

Now, we're not saying that wonderful Wanda Whiteside's really a prestidigitator. But there's no denying the fact that something extraordinary happens every time she steps in front of a camera. Wanda, thy magic spell is everywhere...

A sheer nightie will do the trick too, as long as Wanda's wearing same.

All this 37-23-36 siren has to do is don a bikini, and the world becomes a place of rare enchantment and beauty.

Royal Jelly May Mean "New Life" After 40

Reports from Europe tell of an 80 year old Gentleman whose physical condition would make a 50 year old envious. The man regularly partakes of Royal Jelly. According to a book published in England, when Russian Officials sent questionnaires to all the Centenarians (people over 100 years old) in the Soviet Union, more than half of them turned out to be beekeepers.

From France and Germany come amazing Scientific Reports of outstanding results obtained with Royal Jelly. One French Authority writes of women over 40 feeling increased sexual vitality and of a wonderful feeling of "youth and well-being" that resulted from continued use of Royal Jelly.

At this moment, in Leading Universities, Scientists and Nutritionists and Medical Doctors are doing extensive work to determine the exact role that Royal Jelly may play in Your Sex Life, Your Health and Your Emotional Condition. These researchers are especially interested in its effects on those who have passed middle age. They are working on Royal Jelly because this rare NATURAL FOOD has been indicated to contain remarkable Energy and Sex Factors.

Doctor Paul Niehans, famous Swiss Surgeon and experimenter with Hormones says: "ROYAL JELLY is an activator of the glands" ... Dr. Niehans discovered that many minor disabilities which bother millions of people such as tiredness, irritability, headaches, insomnia, physical and spiritual convulsions, were easy to treat with the Cellular Therapeutics of the Secretion of the bees which we call Royal Jelly.

Life May Begin Again After 40 as Queen Bee's Natural Food Rebuilds Man's Vitality and Drive

Royal Jelly is totally unlike honey, and has baffled scientists since the 1700's. In 1894, some of the mystery was dispelled when Leonard Borda, a French scientist, discovered that Royal Jelly is secreted by special glands located in the heads of worker bees whose job is to nurse the Queen.

Intrigued by the strange longevity and extraordinary sexual powers of the Queen Bee, leading scientists have been trying to discover the Secret Factor in Royal Jelly that so benefits the Queen Bee.

It is not surprising that Royal Jelly has attracted Medical Attention throughout the world...Here is the substance, the sole diet of the Queen Bee in which lies the secret of the difference between her and the rest of the hive. For the Queen lives to 6 years, whereas the 20 to 40 thousand worker bees and the few hundred drones live but a few short months. The Queen Bee larva looks like all the rest, including those of the female worker bees. But only SHE is fertile, producing some 400,000 eggs annually.

Her food is ROYAL JELLY, secreted from the glands of the worker bees. The ingredients are nectar and pollen, plus honey, combined in a mysterious way by Nature to make up the "miracle food" ROYAL JELLY...
